Passport Services

The Villa Park Public Library has been designated as an official Acceptance Facility of the U.S. Department of State. The library will accept applications for NEW passports.

Hours may vary due to availability of designated employees.

The library does not provide photo services. A 2×2-inch photo with a white background printed on photo quality paper is the basic requirement. The U.S. State Department has strict photo guidelines and acceptance of your photo is always at the discretion of the U.S. passport agency. Note that your new passport photo must be without eyeglasses. Please visit travel.state.gov for more detailed information about photos.

For further information on the passport application process, please visit the U.S. Department of State website.

The library accepts cash or check for the passport execution fee.
